1. About Us

Growbargain Digital Solutions is a creative design and digital marketing agency providing a complete range of services for businesses, schools, and organizations. We specialize in creating professional visuals that help clients reach a larger audience — both online and offline — through attractive and meaningful design.

2. Our Services

A. Graphic Design

We create visually appealing **pamphlets, flyers, and posters** for:

- School admissions
- Events and promotions
- Business advertisements etc.,

💰 **Price Range:** ₹350 – ₹500 per design (*depends on design complexity and order quantity*)

B. Logo Design

We design unique, creative, and brand-focused logos that represent your identity effectively.

💰 **Price Range:** ₹300 – ₹800 per logo (*varies by concept, category, and revisions*)

C. Instagram & YouTube Reels

We turn **text or ideas into short videos** perfect for Instagram and YouTube engagement. These reels can be customized for promotions, awareness campaigns, or branding.

💰 **Price Range:** ₹400 – ₹600 per reel (*depends on duration and creative effects*)

D. Social Media Account Management

We also offer **complete social media maintenance** services, including:

- Regular posting
- Creative content planning
- Audience engagement and account growth

(Custom packages available based on your platform and posting frequency.)

3. Work Process
